

## NASA 207 Course Application Form

The extract below is taken from **NASA 131 Terms and Conditions**.

### 17. Cancellation Options and Refunds Policy:

#### 17.1 General:

- a. Please ensure that you definitely want to go ahead with the booking, and do not have doubts.
- b. Once a course date is booked and paid for, we will reserve your name and seat on that selected course, meaning that we may turn down other bookings on that event, to reserve and honour your booking.
- c. Cancellations, Postponements or Substitutions must be done in writing via email.
- d. Any candidate that may miss more than 6 hours of accumulated course training time, shall not be permitted to continue. If a valid reason is presented, NASA will allow a re-sit of the training event subject to availability.
- e. NASA reserves the right to reschedule a course to a later date, if there are unforeseen circumstances.
- f. Any candidate that fails to behave in a disciplined manner, and by action of this creates an interruption to the rest of the candidates or the tutor, shall be asked to forfeit the course without monetary refund. Such examples are the use of vulgar language, violence, blatant disrespect towards others and cheating, etc.
- g. If you cannot continue with the training due to any reasonable legitimate reason, you may stop at that point, and we will arrange for you to continue the next available event, subject to us confirming available space.

#### 17.2 Postponement:

- a. Provided that you inform us via email, not later than 5 days before the event, you may change your date (Postpone) to a later scheduled date, and subject to us confirming available space on that next chosen event. Please inform us if you cannot attend, even if it is 1 or 2 days before.
- b. Your booking will never expire, until you attend and complete the training or exam event that you have paid for.

#### 17.3 Substitutions:

- a. We do allow substitutions of candidates. You may substitute someone else to take your place, if you cannot attend yourself.
- b. Please email us your instructions at least 5 days prior to the event, that you will be sending someone else to take your place, we will need all the necessary documents, such as the ID document, application form, and the minimum education requirements from the new person.

#### 17.4 Refunds:

- a. **A Cancellation of a Course Booking or PCN exam event, requesting a refund shall result in a refund less 25% of the total amount paid.**
- b. We would therefore like to repeat that, should you be uncertain about booking with us, please do not go ahead. We do not want you to lose 25% of your funds.
- c. Refunds will be processed 30 days after the formal request is made by email. Usually, we get it done much sooner.
- d. **Once you start the course, and start the training, no refunds thereafter will be applicable.** You cannot start the training, occupy a place on a course, and decide after you have started that you do not want to continue. If you have such concerns, please do not proceed with the course and speak to us first.
- e. You cannot request a refund, based on the reason that you have failed an exam category or assessment. These are not reasonable grounds that would constitute a claim for a refund, and such requests would be considered unlawful.

By signing this document, I acknowledge having read, understood, and accepted the terms and conditions outlined in NASA 131 Terms and Conditions.

Course Details: (Please fill in the course that you are Booking for)		
Method:		(PT, MT, UT, RT, ET, VT, WT, RI, PAUT)
Level:		(Level 1, Level 2 or <b>Level 1 and 2</b> Combined.)
Start Date:		(The start date of the course that you are booking.)
Will you be doing the PCN Exam:		(Yes or No.)
Preferred Date of PCN Exam:		(Subject to Confirmation of the date by us.) Just an estimate.
PCN Number:		(If No PCN number write: New.) (If not Known: Unknown)

**Please read and acknowledge the following Important messages:**

- (1) For us to train you, we need you to be here, so it is important to be on time, especially on the First Day of the training course. If you are late on the very first day, it is difficult for us to make the entire class wait any longer than 30 minutes to start. We would have to start the course without those that are late. **After 2 hours of being late on the first day we would not allow a candidate to join.** Please call us if there are any issues.
- (2) For Phased Array UT, we use Olympus MX2's and every 2 candidates share 1 machine.
- (3) For Eddy Current- ET, we use Olympus Nortec 600's and every 2 candidates share 1 machine.
- (4) There will be no more than 2 candidates allocated per PAUT or ET Flaw detector and fully equipped weld probe set.

NASA 207	Course Application Form	10	22-Jun-25	2 of 4

Minimum Education Entry Requirement: <b>(Please attach a copy of your Grade 10 or 12 certificate with the results)</b>		
The minimum education entry level requirements for NASA training courses are listed below:		
PT, MT, VT, WT	Level 1 and 2 Combined	School Grade 10 with Math's and Physics
UT, RT, ET, RI, RS	Level 1 and 2 Combined	School Grade 12 with Math's and Physics
PAUT	Level 2	School Grade 12 with Math's and Physics, and UT level 2
<b>Please only circle one option below: Yes or No.</b>		<b>Sign here:</b>
I do meet the minimum education entry requirement, and I have attached the Certificate.	Yes / No	
Please only fill this section if you have answered <u>NO</u> to the above, and you agree with the Waiver below. Should you not agree with the statement, please discuss your concerns with us.		<b>Sign here to acknowledge the Waiver:</b>
I <b>do not</b> meet the minimum education entry level requirement, but I <b>do</b> want to continue with the booking of this course, at my own liability. I understand that not having the recommended education entry requirement may hinder my ability in not having pre-existing knowledge in certain physical science concepts and may increase the difficulty level of this course. I am also aware that mathematics in the NDT course, whenever applicable may be a challenge to me. I wish to continue despite these concerns. I am aware that I do not need to proceed with this booking, should I not agree with this statement.		

By signing this document, I acknowledge having read, understood, and accepted the terms and conditions outlined in NASA 131 Terms and Conditions.
